

Orlando FSDO FAAS Team presents:

POWER PLANT FAILURE and its PREVENTION AND SURVIVAL

In studies conducted trying to determine the causes for engine failure, 10 top reasons were identified. Of these 10 reasons, the pilot has direct control over at least seven of them. Do you know what they are?

What are the options the pilot has before and after an engine fails in flight?

Do you know how to pick suitable landing fields? This presentation helps pilots to prepare for an engine failure in flight.

You'll be shown six different ways to prevent an engine failure, this alone will enhance your chances of survival.

Remember engines fail only on two occasions:

- 1- When the pilot is expecting the engine to fail.
- 2- When the pilot is not expecting the engine to fail.

Be ready next time you fly.

My fellow pilots, come to this seminar and more importantly, bring a pilot friend.

Always fly safe.

This event is designed to be an interactive audience experience. PLEASE bring your questions and participate in the discussion!

Event Details

Wed, Aug 10, 2016 - 19:00 EDT
FAA Southern Region Aviation
Safety Center/Orlando Field
Office

4425 Sun 'n Fun Road
Lakeland, FL 33811

Contact: MARK DUCORSKY

Select #: SO1570412

Lead Representative MARK DUCORSKY

Directions: The FAA Aviation Safety Center/Orlando Field Office is located on the SUN 'n FUN Fly-In campus. From Interstate 4, take County Line Road (Exit 25) south approximately 3.6 miles to Medulla RD / Old Medulla Rd. Turn left on Medulla Rd/Old Medulla Road, and proceed approximately 1.6 miles to the SUN 'n FUN Campus entrance. Proceed straight ahead on Doolittle Road and turn left onto Sun 'n Fun Road just before the closed airport gate. Continue on SUN 'n FUN road and make a left on Laird Road, the FAA Aviation Safety Center is on your right, park on the West side of the building – not on the grass. From Highway 60, take County Line Road north approximately 3.8 miles to Medulla RD / Old Medulla Rd. Turn right on Medulla Rd/Old Medulla Road, and proceed approximately 1.6 miles to the SUN 'n FUN Campus entrance. Then follow the directions above. From Lakeland take Pipkin Road west to Medulla Road, turn right and proceed about ½ mile to the SUN 'n FUN Campus entrance on the right. Then follow the directions above. FLY IN: Request taxi to SUN 'n FUN Campus. Park in front of FAA Safety Center Building on the grass. After the event staff will be available to open SUN 'n FUN Campus gate for exiting onto airport.

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASafety Team) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
